

ENGAGE

en•gage /en'gāj/ *v. participate or become involved in*

Vote Your Conscience

Tell your representatives that action on climate change is critical for earning your vote.

Green Your Commute

Ride share, use public transportation, drive electric, bike, walk, work from home.

Eat for a Climate-Stable Planet

Reduce consumption of meat and processed foods. Buy local and organic.

Reduce, Reuse, Recycle

Rather than over-consume and waste, make, fix, share, up-cycle, repurpose, barter, trade.

Invest With Your Heart

Divest from companies who are not leaders in environmental sustainability and invest in renewables.

Spark a Climate Conversation

Engage with family, friends, neighbors, co-workers and inspire the next generations with decisive environmentalist stewardship.

We can do this, together.
